Dr. J. F. HAY WOOD, of New York, volun barly indexes it. Road what he says:

New York, Sept. 19, 1877.

Dr. Tutt: Dear Sir—During this year I treat-ed nine hundred cases of lung diseases. In the lower words of the city the cases were of a very severe tyen. It was there my stiention was called to Tutt's Expecterant, and I confess my surprise at its wonderful power. During a prac-tice of twenty years I have never known a medthen of twenty years I have never known a median to twenty years I have never known a mediane tenet as promptly and with such happy effects. It instantly subdued the most violen has of coughing, and invariably cured the discussion a few days. I cheerfully endorse it as the best lung modicine I ever used.

Dr. Tutt: bir-1 have been suffering for nearly two years with a severe cough. When I commenced taking your Expectorsail was reduced to one hundred and sixteen pounds in weight. I had tried almost everything; had terrible night sweats. I have taken balf dozen bottles. The night sweats have left me, the cough has discovered and I have relical fifteen cough has disappeared, and I have gained fifteen pounds in the literature and it to all my triands. With great respect, OLIVER RICK.

IMPORTANT QUESTIONS.

Bealer, have you cought a cold? Are you unable to raise the phiegm? Have you an irritation in the terest? A sense of expression on the lungs, with short breath? Do you have a the lings, with short breath? Do you have a lit of coughing on tying down? A sharp pain now and then in a region of the heart, shoulders and back? If so, OUR ADVICE is to take at once a dose of Tutt's Expectorant; you will soon he able to raise the phlegm. In an hour repeat the Expectorsot, place a bot iron to the lest take two of Tutt's Pills. You will soon fall into a pleasant sleep and wake up in the morning cough rose, lunes working freely. morning cough gone, lungs working freely; arsh manner. To prevent a return of these symptoms as the Expectorant several days.
